EXPERIENCE

Software Developer Intern

Wishfy Technologies Pvt. Ltd

July 2023 – Present 2023

Onsite – Noida, Uttar Pradesh, India

- Spearheaded the end-to-end development of wishfy.io, a **dynamic and responsive website**, in a two-member team through the complete lifecycle, from conception to production level.
- Proficiently employed **React, Redux, and JavaScript** to craft a seamless user experience, ensuring the website's responsiveness and dynamic functionality.
- Elevated project efficiency through adept **state management** implementation in React, contributing to the creation of a robust and scalable codebase for the entire website.
- Played a pivotal role in the successful transition from development to production, showcasing a comprehensive understanding of **software development life cycle** processes and collaborative teamwork
- Demonstrated expertise in API integration and database retrieval, leveraging **Axios** to streamline communication with **REST APIs**, resulting in efficient data flow and enhanced user interactions.
